Concert Dress Policy for Band

To: Parents of members in the OHS Bands

The concert dress policy gives the performing ensembles a professional and uniformed look for public performances. The required concert dress for ladies is outlined below. We ask that prompt attention be given to the matter of purchasing the concert dress for your child, if they do not already own one.

****The concert dress described below will be required at our concerts.**

Concert Dress -

All young ladies in the Ola Band will be required to purchase the designated formal concert dress. As you know, dresses differ greatly in color, design and length. In order to establish uniformity, we have chosen the same dress for these young ladies. This is also a chance for returning members to purchase a new dress if needed. Parent volunteers will measure young ladies for correct dress sizes at the beginning of September. **Please know that the dresses will come in un-hemmed. It will be your responsibility to get the dress hemmed to the proper length once it comes in.**

- Color: formal black
- Style: floor length with minimal design on the dress and a curved cut neckline.
- Total Price: **\$75.00** will be due along with order form by **August 30**. If you cannot make the full payment by **August 30**, please see Mr. Manson for other arrangements.
- Make checks payable to – **Ola High School Band**

All young ladies will be measured for correct dress sizes at the beginning of September by parent volunteers.
