### Concert Tuxedo Policy for Band

#### To: Parents of members in the OHS Bands

The concert tuxedo policy gives the performing ensembles a professional and uniformed look for public performances. The required concert tuxedo for gentlemen is outlined below. We ask that prompt attention be given to purchasing the concert tuxedo for your child, if they do not already own one.

**\*\*The concert tuxedo described below will be required at our concerts.**

#### Tuxedo –

Gentlemen do not have to purchase a tuxedo from the band, but it is encouraged. If you can find one at a better price or if you already have a tuxedo, then just let us know. *Students purchasing a tuxedo from the band will be measured/fitted at the beginning of September by a representative from Black Tie Formal Wear.* Please know that we will be placing *one* order for tuxedos, and it will be the student/parent's responsibility to communicate whether or not they need to be fitted.

**The pants for the tuxedo will come in un-hemmed. It will be your responsibility to get the pants hemmed to the proper length.**

- **Color:** pants, coat, tie and cummerbund all need to be solid black. Please do not purchase tuxedos with patterns or other colors on them. The shirt should be solid white without any patterns or additional colors.
- **Style:** any basic style tuxedo coat or pants will do, as long as the color specs mentioned above are met. Gentlemen will need to purchase black shoes and black socks. Any solid black **dress** shoe will be acceptable to wear with the tuxedo. The shirt may have pleats or some common tuxedo design. The collar may be a “cut away” design, where the band of the bow tie is exposed around the neck.
- **Total Price: \$125.00** will be due along with order form by **August 29th**. If you cannot make the entire payment by **August 29th**, then please see Mr. Manson to make other arrangements.
- Make checks payable to – **Ola High School Band**
