2018 Fair Share Donation Program

The Ola High School Band is an organization which prides itself on offering a fun, educational experience to all students. That being said, our band continually incurs miscellaneous expenses throughout any given school year that can really add up. Marching band members pay dues to help off-set the cost of all marching and concert related activities, but thus far concert band members have not been required to pay any kind of dues. With that in mind, we instituted a Fair Share Donation Program to help off-set the rising cost of everyday materials necessary to run a successful band program. This program was designed to allow students/parents who do not participate in the Ola Marching Band to help contribute to the concert band program.

Fair Share donations will be used for items listed below:

- Sectional specialists and clinicians throughout the school year
- Adjudicators for Pre-LGPE concert
- Transportation for LGPE events (school buses if needed during school day)
- Entry fees for LGPE
- Percussion accessories necessary for various musical repertoire
- Equipment transportation to and from all concert events throughout the school year
- Music scores necessary for LGPE event
- Sheet music if parts are missing
- Instrument maintenance and repair for school owned equipment
- Small instrument repair tools (Corks, Pads, Valve Oil, Reeds, Slide Grease, etc)
- Toner and paper for music copying necessary throughout the year
- Paper for concert programs throughout the year
- Extra concert uniform components
- Band banquet concert band awards

Fair Share donations of anywhere from \$25 to \$50 per student will be greatly appreciated to help off-set the cost of running the band program. Please note, that all fair share donations will be used for the concert and jazz programs only. No fair share donations will be used for the marching band, colorguard, or winterguards.

Please fill out this bottom section and return it to the band room by August 31st
