

2018 OLA BANDS INSTRUMENT RENTAL AGREEMENT

I, \_\_\_\_\_ (Student's Name) hereby acknowledge that I have received from Ola High School the following instrument(s) and accessories:

Instrument(s): \_\_\_\_\_

Brand(s) \_\_\_\_\_

Condition: \_\_\_\_\_

Serial Number(s) \_\_\_\_\_

\_\_\_ Mouthpiece \_\_\_ Neck Strap \_\_\_ Other \_\_\_\_\_

I understand that this instrument has been lent to me for the purpose of enabling me to participate in the instrumental music classes and performing organizations of Ola High School. I accept full responsibility for the safe keeping of the above described property of the Ola High School Band Department and agree to return it in as good as condition as when it was loaned to me, reasonable wear and tear and depreciation excepted. If this instrument or accessories are lost, destroyed, or damaged due to neglect or carelessness during the rental period covered by this agreement, I agree to pay the cost of repair or replacement to the Ola Band Department.

Normal wear and tear does not include dents, bent keys or valves, or anything caused by dropping the instrument or leaving it any place where the temperature is above 100 degrees or below 40 degrees. It also does not cover water damage. Normal wear and tear that would be covered includes worn out pads, spit valve cork replacement, broken springs and other parts that would normally wear out.

I also agree to the following conditions:

- 1. To participate in all regular scheduled school functions when called to do so.
2. To report immediately to the band directors any loss or damage to the instrument or accessories.
3. To make NO REPAIRS to the instrument myself or to permit anyone else to do so without permission from the director.
4. To return the instrument to the directors upon request at any time prior to the expiration of this bond. Also, if you MOVE, you must return the instrument prior to leaving Ola.

Due to a limited supply of school owned musical instruments; there will be some instances where two students may have to share the same instrument throughout the school day if they are in different band classes. If that is the case, the directors will give proper instructions on how to share the instrument and will try and work out schedules, so that all students may have adequate practice time on his/her instrument outside of the school day.
