

## **Remind Instructions:**

We have established two Remind text accounts for the 2017 Ola Marching Band:

### **2017 OMB –**

**Q: Who should join this account?**

**A: ALL OMB students including colorguard members, as well as parents who would like to keep up with the student reminders throughout the season**

*Announcements from this account will be from the directors to the students/parents about meeting times, meeting locations, rehearsal schedules, and general reminders for practices, games, and competitions. Most of these reminders will come directly before rehearsals or games. Responses from the directors will be limited in some scenarios.*

### **2017 OMB Parent Club –**

**Q: Who should join this account?**

**A: Parents only**

*Announcements from this account will be from our band parent executive board members. This will primarily serve as general updates and reminders for parents. This is a great way for our parent booster club to stay informed on the upcoming events and needs of the band students.*

Please follow the instructions for sign-up on the attached document.
