

## *SAPA Winterguard Competition Program Book*

Showcase your products and services before *hundreds* of spectators, participants, and directors at the Southeastern Association for Performing Arts Winterguard Competition by advertising in the Official Program Book. This book captures images of performers, reports information about the event and activities, and provides a timetable for the competition weekend. The competition will be held March 11 and 12, 2017 at Ola High School. With over 45 competing units and two days of competition, we are expecting between two to three thousand spectators, participants, and directors. This will be an extremely high traffic event for McDonough and the surrounding areas, so make sure to get your advertisements and information in before *March 3, 2017!*
